**COVID-19 Response Framework**

**Yellow/Protect Level**

Additional measures required by the MLHU

| • Ensure that hand sanitizer is available at entrances, exits and points of sale, and that signage is posted indicating it is to be used by clients and patrons |

Visit COVID-19 Response Framework: Keeping Ontario Safe and Open for more information
General Requirements
• Spectators allowed (50 indoors, 100 outdoors)
• Limit of 50 people per room if operating in compliance with a plan approved by the Office of the Chief Medical Officer of Health (Guidance for Facilities for Sport and Recreational Activities)
• Mask or face coverings may be removed when exercising
• Limit volume of music to conversation level and prevent shouting by both instructors and members of the public
• Collect contact information for all patrons and those in attendance for team sports
• Require reservation for entry, for members of the public or one reservation per team
• Safety plan available on request and posted in a conspicuous location

Recreational Fitness and Exercise Class
• Capacity limits:
  - 10 people indoors  - 25 people outdoors (classes)
• Increase physical distancing between patrons to three metres for areas of a sport or recreational facility where there are exercise or fitness classes
• Instructors required to use a microphone to avoid talking loudly

Weights or Exercise Machines Areas:
• Limit of 50 people indoors for areas with weights or exercise equipment
• 50 people per room, where two metres physical distancing can be maintained and where subject to conditions of a plan approved by the Office of the Chief Medical Officer of Health and operating in compliance with that plan (Guidance for Facilities for Sport and Recreational Activities)
• Increase physical distancing between patrons to three metres for areas of a sport or recreational facility where there are weights or weight machines

Team or Individual Sports:
• Team sports must be modified to avoid physical contact
• No more than 50 people per league and no play against teams in other leagues
• Individual sports must ensure two metres physical distancing from every other person
• Exemptions for high performance athletes and parasports (Team Canada- Olympic or Paralympic Games)
Additional measures required by the MLHU

- Ensure that hand sanitizer is available at entrances, exits and points of sale, and that signage is posted indicating it is to be used by clients and patrons.
- Instructors of any class, organized program or organized activity must wear a mask or face covering.
- Team or individual sports which are operating in compliance with a plan approved by the Office of the Chief Medical Officer of Health (Guidance for Facilities for Sport and Recreational Activities) must limit participation to 12 participants per group.
- Each class, organized program, or organized activity must take place in a separate room or be in a large space such as an arena, pool, or high school gymnasium where each class, program or activity can be separated by an impermeable barrier, or be distinctly separated by a minimum of 3 metres.
- The maximum number permitted on a field of play, such as an indoor soccer field, ice pad, basketball court, or similarly space, is 25 people, inclusive of staff, referees, and/or instructors.
- For further clarity, as an example, a maximum of 25 people can be on a single ice pad at one time and would need to be divided into groups.
- For team sports in which substitutions are required, a maximum of 12 are permitted on the roster. For individuals who are not actively participating in the program or activity, a physical distance of 2 metres must be maintained between each individual.
- If participants are not wearing a helmet, face coverings should be worn when not actively participating in rigorous physical activity.
- The operator must ensure that the building heating, venting and air conditioning (HVAC) system are well maintained in line with the Guidance for facilities for sports and recreational fitness activities during COVID-19.
• Limit of 50 people indoors and 100 people outdoors, except for court/government services, weddings and funerals OR if following the approved plan from the Office of the Chief Medical Officer of Health (Guidance for Meeting and Event Facilities During COVID-19)

• It is not permitted to book multiple rooms for the same event

• Establishments must close at midnight

• Liquor may only be sold or served between 9:00 a.m. and 11:00 p.m.; no consumption of liquor permitted between 12:00 a.m. and 9:00 a.m.

• Establishment to collect contact information for all seated patrons

• Only six people may be seated together at one table

• Establishment to limit volume of music to be no louder than a normal conversation

• Safety plan available upon request

Additional measures required by the MLHU

• Ensure that hand sanitizer is available at entrances, exits and points of sale, and that signage is posted indicating it is to be used by clients and patrons

• Patrons required to remain seated, unless using the washroom or to pay

• Ensure tables are separated by two metres or an impermeable barrier (plexiglass)
Measures for Retail Establishments

COVID-19 Response Framework
Yellow/Protect Level

Text highlighted in yellow denotes additional local requirements under instructions and Orders issued by the Middlesex-London Health Unit

- Fitting rooms must be limited to non-adjacent stalls
- Maintain two metres physical distance and require masks or face coverings for lineups outside the entrance of a business
- Business to limit volume of music to be no louder than a normal conversation
- For malls, a safety plan must be available upon request

Additional measures required by the MLHU

- Ensure that hand sanitizer is available at entrances, exits and points of sale, and that signage is posted indicating it is to be used by clients and patrons
Sector-Specific Measures under the Yellow/Protect Level of Ontario’s COVID-19 Response Framework

Measures for Personal Care Service Settings

COVID-19 Response Framework
Yellow/Protect Level

- Oxygen bars, steam rooms, saunas and whirlpools are to be closed
- Establishment to collect contact information for all patrons
- Safety plan available upon request

Additional measures required by the MLHU

- Ensure that hand sanitizer is available at entrances, exits and points of sale, and that signage is posted indicating it is to be used by clients and patrons
- Medical grade face masks and shields to be worn by service providers where client mask requires removal
- Owner or operator to inform employees of increased risk when providing services that require client to remove their mask or face covering

Visit COVID-19 Response Framework: Keeping Ontario Safe and Open for more information

Text highlighted in yellow denotes additional local requirements under instructions and Orders issued by the Middlesex-London Health Unit
• Capacity cannot exceed 50 people

• Table games are prohibited

• Liquor may only be sold or served between 9:00 a.m. and 11:00 p.m.; no consumption of liquor permitted between 12:00 a.m. and 9:00 a.m.

• Establishment to collect contact information for all patrons

• Safety plan available upon request
